

OPEN LETTER TO TALK SHOW HOSTS OF AMERICA ABOUT LINCOLN PROCLAMATION PROJECT 2020

August 18, 2020

Dear Talk Show Hosts of America,

In April President Trump said: “We are in “a great national trial.” This is what President Lincoln said as well in the midst of the Civil War that threatened the Union with dissolution in 1863. The North was losing all battles at the time. Lincoln had the nation call on the Almighty when he issued his proclamation of a day of fasting and prayer. After that the tide turned and the North started winning the battles saving the Union.

In 2020 we are again in a national existential crisis. We will need Divine deliverance not just from the Corona virus plague and lockdown; but from the national disorder, disinformation, and distrust that threaten the Republic with division and dissolution. Many sense a foreboding storm gathering on the horizon. Agitators foreign and domestic, many in positions of power and influence use Marxist ideology and deconstruction to smear the foundation and fabric of the Union to transform “the Last Best Hope on Earth.”

Lincoln saw in his days what the Union needed then, a crying out of the people for deliverance. Today we desperately need again the Almighty’s mercies to preserve the Union.¹ We need leadership in the spirit of the PROPHETS OF OLD TO CALL THE PEOPLE TO TURN TO GOD FOR HELP. Today’s prophets are the patriotic talk show hosts and columnists who daily remind America of our great heritage as “one nation under God with liberty and justice for all;” and with that our duty to conserve and transmit this heritage to future generations. Against this are arrayed esteemed and celebrity voices from mainstream media, pop culture, universities and government institutions wishing to “transform” our Union of States to a historically unstable one-man/one vote direct democracy.

America’s talk show hosts have the ears of the people. They can broadcast word of this petition to the People, whose signatures are needed on the petition to show support to the President for him to reissue Lincoln’s 1863 Proclamation NOW in our nation’s hour of great need for Divine help.

WHAT TALK SHOW HOSTS CAN DO:

- 1) **NETWORK** with colleagues to promote this project **ASAP** and marshal the people who still believe in God to pray for mercies for the Union.
- 2) Some may **PRAY on the air (as Mark Davis of KSKY does)** for God’s mercies and ask their listeners to do the same individually and in houses of worship and prayer groups.
- 3) **ASK** listeners to sign and forward this petition to **President Trump to reissue Lincoln’s 1863 proclamation for a day of humble prayer and fasting** where we are to confess our

national sin of forgetting God. As Lincoln said in his proclamation, “We have forgotten the gracious hand which preserved us in peace and prosperity...We have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us!”

This project for the reissuing of Lincoln’s 1863 Proclamation and the renewing of the national Covenant of “one nation under God” needs to be started **ASAP before elections**, because the opposition may engineer to wreck and prevent elections to bring their plans to pass. **We have only till Sept. 16 to garner 100,000 signatures to bring this petition onto his desk.**

The fateful die is cast and unity at this point of polarization is not possible. The war will go on as it did after the Lincoln proclamation in 1863. The point in this project is to **marshal “the righteous remnant” to intercede for the nation** and gain **“some deliverance”** as in **II Chron. 12:7**. It is not humanly possible to unify the two warring factions. No one can do that. We can only appeal to the Almighty. Please pray about this and tell all friends, prayer group leaders, pastors, podcasters and leaders of God-fearing congregations about this project and urge them to sign the petition and put a link to it on their websites. I hope and pray you can all spearhead this effort. Thank you for having me on the air to discuss and promote this petition drive. Am looking forward to more of it. Contact me below.

Gratefully,

Steve
